From

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon in Mysore, Bangalore.

To

The Secretary to the Governmentof
His Highness the Maharaja of Mysore,
Medical and Agricultural Departments,
Bangalore.

Sir,

I have the honour to forward herewith, a copy of letter No. C. 1281-1-B, dated 19th March, 1926, received from the Deputy Commissioner and President, District Board, Mysore, regarding the opening of a dispensary at Nisana, Antharsantey Hobli, Heggadadevankote Taluk for information and to state that there can be no two opinions regarding the necessity for a dispensary in this place which is in a most out of the way and unhealthy locality in the Mysore District. xxx I have inspected the place and this place deserves to be counted as one where new dispensaries will have to be opened during the next official year.

As the resolution merely endorses the opinion of the Taluk Board and is not definite about the willingness of the Board to bear their share of the usual initial and recurring charges, I have addressed the President to have the matter placed before the Board again and to communicate their views definitely, on receipt of which definite proposals will be submitted to Government.

I have the honour to be,

Sir,

Your mostobedient servant,

Usmon

Senior Surgeon.

Letter No. C.1231/L.B./25-26, dated 19th March 1926, from the President, District Board of Mysore, Mysore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to state that there are at present only two Local Fund Dispensaries, on at Heggadadevankote and the other at Saragur, in the Heggadadevankote Taluk.. These dispensaries do not serve the requirements of the inhabitants of Antharasanthe and Kandalike Hoblies of the Taluk as the dispensaries are from 10 to 24 miles from these places and as there are no proper means of communication.

It is reported that when you visited the Taluk on 18th November 1925, the above want of the Taluk was brought to your notice and that you expressed your opinion that another Local Fund Dispensary would be arranged to be given to the Taluk if a requisition was made by the District Board.

The Taluk Board proposed the immediate opening of a Local Fund Dispensary at Nisana, Antharasanthe Hobli, to serve the remote village of the Antharasanthe and Kandalike Hoblies. This was placed before the District Board at their meeting held on 6th March 1926 when it was resolved that the opening of a dispensary at Nisana might be recommended from 1st July 26. The Taluk Board has also agreed to provide necessary accommodation for locating the dispensary and for quarters of the Sub Assistant Surgeon.

The area is a malarious one and the proposal deserves early sanction.

In closing an extract from the proceedings of the District Board, I request that sanction of the Government may be kindly obtained to the Board's resolution.

I request that provision for the proposed dispensaries at Nisana and also at Talkad (Vide your No. C.1074-15 dated 26-2-26) may kindly be made in your department's budget for 1926-27.

72. Proposal of the Taluk Board of Heggadadevankote for opening a Local Fund Dispensary at Nisana the rent of the building required for the location of Local Fund Dispensary and providing quarter to the Sub Assistant Surgeon being met from its fund.

SENIOR SURGEON.

Office of the Senior Surgeon in Mysore,

From

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon with the Government of
His Highness the Maharaja of Mysore, Banglore.

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Medical and Agricultural Departments,
Bangalore.

Sir,

I have the honour to state that during my tour of inspection in the Mysore District in November last (and when I was District Medical Officer and Medical Officer in charge of Khedda Camp on three occasions) the want of medical aid to the population of the Antharasanthe Hobli, Heggadadevanakote Taluk, was forcibly brought to my notice. The area is one of the most unhealthy localities in the State and is far removed from existing dispensaries, the nearest institutions being the one at Heggadadevankote and the other at Sargur neither being within easy reach.

2. The question of opening a dispensary at Nisana in this Hobli was, at my instance, placed before the Mysore District Board and the resolutions of that Board, received with the marginally noted letters of the President, (copies enclosed) show that the District Board recognise the necessity for opening a dispensary at Nisana and are prepared to bear their share of the maintenance charges and have made necessary provision in their Budget for 1926-27. They further request that the institution be immediately opened, the expenditure for the current year being met from savings in the "Malnad Improvement Budget."

No.C.1281-L.B.(85-26), of 19th March 1926;
No. Do. of 26th April 1926.

3. It is not possible to utilise any portion of the Malnad Improvement Grant for the proposed dispensary unless the Heggadadevankote Taluk or the Hoblies of Antharasanthe

Antharasanthe and Kandalike are brought under the operations of the Malnad Improvement Scheme. But, considering the urgent necessity for providing medical aid at the place, I am prepared to meet the cost of initial equipment and the monthly maintenance charges during the current year from the provision of Rs.5,000/- made in the State Medical Budget under "New Dispensaries."

4. I therefore request the favour of very early sanction to the opening of an L.F. Dispensary at Nisana, Antharasanthe Hobli, on the scale of initial and recurring charges as shown below:

Initial Charges.

Europe Medicines & Appliances to be supplied from the Medical Stores.....	...
Furniture, etc.	... Rs. 300/-

Recurring charges.

Sub Assistant Surgeon average pay....	...	Rs. 63½
Ditto . charge allowance.	...	20
Compounder average pay	...	25
Do. local allowance on malnad scale...		2
Midwife ...average pay	...	25
Do. Malnad Allowance	...	5
Dispensary attendant ... Pay	...	10
Do. Malnad Allowance	...	1
Waterwoman ... Pay	...	8
Do. Malnad Allowance	...	1
Rent for buildings .... about	...	10
Country medicines	...	8
Other contingencies	...	5
Total.....		Rs. 183½

5. As the District Board plead inability to pay any portion of the initial or recurring charges during the current year, the same may be ordered to be met from the State Medical Budget, from the source pointed. The charges from the next official year, the maintenance charges may be met by the Governmentand the District Board in the usual proportion, viz., pay of Sub Assistant Surgeon andcostof annual supply of "Europe Medinines" by the former and the rest of the recurring charges by theDistrict Board.

72. Proposal of the Taluk Board of Heggadadevankote for opening a Local Fund Dispensary at Nisana, the rent of the building required for the location of Local Fund Dispensary and providing quarter to the Sub Assistant Surgeon being met from its fund.

RESOLUTION:- This may be recommended from 1st July 1926.

Letter No. C.1281/L.B. of 25-26 dated the 26th April 1926, from the President, District Board of Mysore, Mysore, to the Senior Surgeon in Mysore, Bangalore.

With reference to your letter No. C.2330-2 dated the 5th April 1926 inviting the opinion of the District Board in the matter of contributing the usual share of initial and recurring charges for opening a Local Fund Dispensary at Nisana in the Heggadadevankote Taluk, I have the honour to state that the above matter was placed before the District Board at their meeting held on the 24th April 1926 when it was resolved that the District Board agrees to bear "the usual share of initial and recurring charges for a dispensary at Nisana and has provided funds for the purpose in its budget for 1926-27. The District Board requests that the dispensary be opened immediately utilising the rent already promised by the Heggadadevankote Taluk Board on 6-1-1926 and the savings from the Malnad Improvement grant of the State."

In enclosing an extract from the proceedings of the District Board meeting, I have the honour to request that orders of Government may kindly be obtained for opening the Dispensary immediately. The District Fund quota of the cost viz., initial and recurring expenditure has been provided for in the next year's budget of the District Board of Mysore.

The statement of initial and recurring charges was not received as stated in para 3 of your letter under reply.

Proceedings of the District Board of Mysore passed at a meeting held at Nanjangud at 8 A.M. on Saturday the 24th April 1926.
